

## General Assembly – Ladies Auxiliary Report for 2023

Our membership has remained enthusiastic and very willing to lend a hand. We have maintained our membership of 43 with the new rule kicking this year of 90 years and older no longer are required to pay their membership. Our two Bake Sales allowed us to contribute to the upkeep and enhancement of our beloved church. These include the following: Easter and Christmas Cards, Fall Festival Sponsor, Gazebos, Commercial Refrigerator, Driveway Repair, Generator and Altar Boy Vestments.

We pay membership dues to A.R.F.O.R.A. yearly. We also contribute to some of the requests for aid from I.O.C.C. and donate to F.O.R.C.C.

Our Pajama Drive donated over 100 pajamas for moms and children through the Center for Family Justice. Through our community's generosity we have been able to supplement nourishing food to those in need in our church community as well as the town of Easton.

Our ladies have been asked to become more involved in Coffee Hour and we are working on that transition presently.

Last February, Linda Kolton gave a cooking demonstration which was met with great enthusiasm. We are always looking for talent that would like to be shared.

Spreading cheer and giving support during the holidays and throughout the year is another aspect of our group.

Cleaning our church before Easter was a task that drew members together. There are so many ladies who are not active members of our organization but are in the kitchen and helping in other ways that need to be applauded.

Then there is the conductor of it all, Psa. Mariana, along with her family.

Many thanks to our board members, Marie Wood, Linda Lazar, Annette Shawah and Marie Agostin.

Respectfully Submitted,

*Diana R. Nicola*
